Dear Mayor Stein:

Re: Water System Improvement Project
Community Development
PNRS #7504 2 290

The State Clearinghouse has received additional comments on the Water System Improvement project from the State Soil and Water Conservation Commission subsequent to the issuance of its original sign-off letter of April 23, 1975. The Soil and Water Conservation Commission commented as follows:

The water improvement project for Elgin is practical and a necessary improvement for the safety and well being of the citizens of Elgin.

A copy of this letter should be forwarded to the federal funding agency as required by OMB A-95.

Sincerely,

William H. Young
